

## Update from Mahali pa Maisha, Inc

July, 2015

Family,

There are so many things I could say to try and explain what all has happened in the last couple of weeks. But, any words would fall short. So please allow me to simply share some pictures of seven of our little ones. Their “day one” picture and their going home picture!

**Andrew**

**Angela**

**Dorcas**

**Gideon**

**Keziah**

**Simeon**

***And Tabitha!***

And while the babies and adoptions took up much of our time, we were also busy keeping the new MpM Compound moving in the right direction!

While the pictures do a great job of telling what is going on, we would love to have the chance to share with you in person what God, and you, are doing here in Kenya! We invite you to come connect with us as we travel back to the US to share about the ministry.
